Andrew: hey
me: yo
me: hey hey
me: ho ho
Andrew: you know that asymmetric encryption link you posted on facebook is the algorithm I have on my back
me: something something has got to go!
me: lol I thought about that afterwards
me: gotta say that tattoo is one of the coolest fucking things ever
me: I kind of want one
me: how much did it run you?
Andrew: $200
Andrew: I'll send you the code if you want one
me: yeah, imma get one
me: do so
me: will have the money relatively soon
Andrew: very cypherpunk
me: you need to read Cryptonomicon, by the way
Andrew: im almost done
me: that thing I keep telling you to do
me: orly?
Andrew: i have like 10-0 pages left
Andrew: 100
me: I got in touch with Bruce Sterling after he called me "Anonymous theorist" in reference to al-jaz op-ed
me: he knows Stephenson
me: and guess what?
me: he's in Austin
me: going to be speaking at Interactive
me: gonna pay him a visit after March 1st
Andrew: ah so
me: should be interesting
me: you're not coming down, are you?
me: fucking interactive, man
Andrew: no, im not coming down
Andrew: i dont give a shit about twitter 2.0
me: sure you do
